

Annalisa Colombino

Annalisa Colombino is assistant professor at the Institute of Geography and Regional Sciences, University of Graz, Austria. She received her PhD in 2008 from the Open University, UK, with a thesis on the geographies of place marketing. Her postdoctoral research at the Institute for Policy Studies, at Johns Hopkins University (Baltimore, MD), looked at local communities' participation in city marketing and urban regeneration. Dr. Colombino's more recent research interests focus on food and critical animal studies.

CURRENT RESEARCH AND DIDACTIC PROJECTS

(Un-)Knowing Food - Origin, (In-)security and the morals of food: exploring meat production in Styria, Austria [(Un-)Knowing Food - Herkunft, (Un-)Sicherheit und die Moral des Essens am Beispiel von Fleischprodukten in der Steiermark]. With Prof. U. Ermann (11/2014-10/2016).
